Dear Judiciary Committee:

Toby Scott,

Kevin Kelly,

Richard Blumenthal,

Chris Murphy,

Jim Himes

Considering that Governor Lamont has declared that Connecticut is one of the safest states when it comes to “gun violence” and has some of the toughest laws, “but that isn’t good enough” reminded me of something that Benjamin Franklin once famously wrote

“Those who would give up essential Liberty, to purchase a little temporarySafety, deserve neither Liberty nor Safety.”

I guess we are there.

OPPOSE

Senate Bill 16

House Bill 5416

SUPPORT

S.B. No. 388
